**Youth at the heart of the sponsorship process**

The process of transformation of the Young person is delicate, progressive and must be done in total confidence. We don’t want to make a difference within the same team.

- **Sponsorship is not personal** but corresponds well to the support that you will provide to one or more Youth throughout their journey.
- **You can follow their progress, achievements and challenges** via our social networks and receive our newsletter with news about each programme.

**Tax deduction in Luxembourg**

Donations are deductible from income tax within the limits of articles 109 and 112 of the L.I.R.

In order to **benefit from the tax deduction**, the cumulative amount of donations made to different organizations during the year must amount to a minimum of 120 euros, not exceeding either 20% of total net income or 1,000,000 EUR.

You will automatically receive a **tax certificate** during the month of March of the following year.

If, however, you would like to receive a certificate for each of your donations, you can contact the association at **dons.lux@lp4y.org**.

Membership is valid for the duration of the current calendar year, from January 1 to December 31.
